

## **Environmental Policy**

### **PURPOSE**

#### **We adopt this policy because:**

The protection of the environment and the effective monitoring of a business' impact on the environment are all criteria that every Corporate Citizen must strive to meet. Swire Pacific Offshore is committed to be an industry leader capable of innovating and improving standards in line with its reputation for best operating practices in the industry.

### **RESPONSIBLE BUSINESS UNIT**

Sustainable Development Department

### **APPLICATION**

This Policy applies to all employees and contractors employed or working on board vessels, in any capacity, and at all other SPO group work places ashore. We will encourage other companies in which we have an interest, either as a shareholder or through our supply chain to implement similar policies.

### **POLICY STATEMENT**

#### **In our operations and the locations in which we operate, we will:**

Aim to constantly strive to reduce the negative impacts that our business has on the environment and to monitor performance and identify areas for improvement.

This is the responsibility of every individual within the organisation and is fully detailed in the Company's ISO14001:2015 Environmental Management System.

Meet or exceed all legal requirements.
